

## Fellowes Powershred C-320C

The NEW Fellowes Powershred C-320C is a powerful confetti-cut shredder designed to meet the needs of a department with a range of 6-10 users. With its contemporary styling and soft lines, this shredder also suits any office decor. Equipped with a 1.7 HP thermally protected motor, the C-320C shreds 14-16 sheets per pass into 5/32-inch by 1-1/8-inch confetti particles as fast as 20 feet per minute. Includes the NEW Turbo Jam Release button for a fast, easy way to clear jams. Wide 10-inch paper entry allows continuous feeding of 80-column paper. Durable, hardened-steel cutters accept credit cards, staples and small paper clips, while a designated slot safely shreds CDs and DVDs. The C-320C also features an electronic auto start/stop function for quick, easy shredder operation and is designed to shut off automatically and alert operator with troubleshooting indicator lights when a jam occurs, wastebasket is full or door is ajar. Door offers convenient holder for oil, manual and shredder bags, while the 24.6-gallon wastebasket pulls out for easy waste disposal. We have guaranteed low prices on all our paper shredders.
