

HD 8370 Semi Automatic Wire Inserter/Closer

The HD 8370 wire binding module inserts and closes in one easy step. It eliminates the need to manually insert the wire into the documents. The HD 8370 is easy to adjust for varying sizes, and can bind books 5-1/2" to 14" in width. This machine uses 1/4" to 9/16" standard 3-1 pitch wire. It is attachable to both HD & OD series punches. Buy yours today.

Features

- Closing capacity between 1/4" to 9/16" wire
- Lightweight and Portable
- Fast And Easily Setup - Adjustable for Wire Sizes Up To 9/16"
