

Renz Punch 500E Electric Binding Punch

Free Freight!

The Renz Punch 500e is a heavy-duty punch capable of punching a wide variety of documents, patterns and hole pitches. The heavy-duty components set this machine apart from any other tabletop-punching machine. A very powerful motor has the power for the most difficult jobs. Eccentric shafts allow for the use of either 20-inch P500, 14-inch or 20-inch heavy-duty auto punching dies. Order yours today!

The Renz Punch 500e does not come with a punching die. Please remember to order a punching die when purchasing this machine (see options below)

Features

- Accepts standard 20" dies and 14" AP360 heavy duty commercial dies
- Punches up to 35 sheets
- 208V, 3 phase, 15 amp electrical requirements
- QSA (quick size adjustment) wire and comb dies have individually removable punch pins that eliminate the need to remove the die to adjust the size
- Available 2-part dies with thumb cut allow punching of books as well as calendars, eliminating the need to purchase a second die
