

## Carl XHC-3300 Extra Heavy-Duty Paper Punch

The XHC-3300 is a heavy-duty paper punch capable of punching up to 300 sheets of standard 20 lb. bond paper at a time. This affordable paper hole punch is designed for use in the office, print shops, schools as well as service and copy centers. A heavy steel base provides stability and reduces injury. Punched paper chips travel up the hollow punch head into the waste tray. Punch heads are replaceable. Order your paper hole punch today!

### Features

- Punches up to 300 sheets of standard 20 lb. bond paper.
- Solid heavy-gauge steel construction.
- Punch Heads are replaceable to make your punch brand new.
- Designed for the Office, Print Shops, Schools as well as Service and Copy Centers.
- Patented, precision-ground CARL Punch Heads are hollow to slice through stacks of pages, allowing the chips to travel up the hollow hole and into the waste tray.
- Limited lifetime warranty (excluding punch heads and disks).
